

☒ Assignment Checklist (Ask for help!)

WATER WALK THROUGH

☐ Do not water grass after it rains.

Use water wisely and do not waste it. Only 1% of the water on Earth can be used by people. Conserve water at home with this helpful checklist.

☐ Check the shower and toilet for leaks.

☐ Put low-water-use plants in the yard.

☐ Check for leaks under the sink.

☐ Turn off water when brushing your teeth.

☐ Wash full load of clothes in the washing machine.

☐ Wash car or bike with a bucket of water, not a hose.

☐ Check for sprinkler leaks.

☐ Set the sprinkler timer to water the grass at night.

☐ Cover pool when not in use.

☐ Use a broom, not a hose, to clean the sidewalk.

☐ Make sure the sprinklers don't water the sidewalk, dirt or street.

WATER CONSERVATION PLEDGE

I pledge to conserve water and not waste it by doing my part at home and school. Water is a valuable resource that should be treated with care and respect. If we all save a drop, it will matter a lot to myself, my family, my home, and my community.

I completed the Water Walk Through Assignment Checklist and took the Water Conservation Pledge!
